WATER DISTRICT

The Plainview Community Gives Back

Water District volunteers as an official drop-off location for Toys for Tots Foundation

BY HERALD STAFF

plainview@antonmediagroup.com

The Plainview Water District is teaming up with local charities once again to bring the holiday spirit to the Plainview-Old Bethpage community. As it has done in years past, the Plainview Water District will once again be an official drop-off

location for the Marine Toys for Tots Foundation, sponsored by the U.S. Marine Corps Reserve.

New and unwrapped gifts can be dropped off at the Plainview Water District's main office, located at 10 Manetto Hill Rd. in Plainview, by Thursday, Dec. 12. Last year, more than 100 toys were donated, and

with the help of the community, the Plainview Water District hopes to surpass last year's success. The water district's drive runs alongside the Town of Oyster Bay's drive.

The U.S. Marine Corps Reserve Toys for Tots Foundation is a nonprofit organization that aims to provide all children across the United States with

happiness and joy throughout the holiday season. Through the gift of a new toy, disadvantaged children will not be overlooked during the holidays and will know that a community of people cares for them.

The Plainview Water District thanks the community in advance for their generous contribution to the cause.
